# NEWSLETTER

MAY 2024

## FROM THE EDITOR

I am pleased to present the Animal Welfare League's annual newsletter for 2024. This year, as we celebrate our ongoing mission, we reflect on our accomplishments and eagerly anticipate the opportunities ahead.

Founded in 1965, the Animal Welfare League of the Northern Neck (AWL) is a nonprofit organization dedicated to preventing animal cruelty and

promoting humane treatment. Thanks to the support of our dedicated volunteers and generous donors, we provide essential services such as spaying and neutering, foster care, pet food assistance, vaccinations, and emergency medical treatment.

Throughout the past year, we've made significant progress in fulfilling our mission and improving the lives of

animals in need. As we continue our journey, we look forward to making an even greater impact on our community.

I invite you to explore this year's newsletter and join us in celebrating our commitment to compassion and advocacy. 🐾

## MAKING IT HAPPEN:

### AWL's Impactful Journey in 2023 and Beyond

A great basketball player, Michael Jordan, must have had Animal Welfare League (AWL) on his mind when he spoke about "others." Michael declared, "Some people want it to happen, some wish it would happen, others make it happen." AWL indeed makes it happen for the animals of the Northern Neck! This is possible because of our dedicated volunteers

and the support of our wonderful community, all working together as a team to help the animals of the Northern Neck.

In 2023, we achieved significant milestones:

CONTINUED ON PAGE 2

# MAKING IT HAPPEN

CONTINUED FROM PAGE 1

- AWL once again obtained a Platinum rating from Candid (formerly Guidestar), placing the organization in the top 0.1% of charities nationally in terms of transparency.
- We developed a new, updated logo.
- A committee was formed to explore ways to recruit a veterinarian into the community.
- Pet oxygen masks were purchased and delivered to volunteer fire departments in the Northern Neck.
- We held a "Sweets for a Sweet Story" contest to highlight the value of rescue, with the winners featured on our annual Christmas card.
- A very successful adoption event, "Pour Your Heart Out for the AWL," was held at Ditchley Cider Works.
- We participated, along with the Town of Kilmarnock, in the "Classie Memorial Dog Show."
- Volunteers walked dogs at the Lancaster shelter and covered all vet care expenses for the dogs and cats held there.
- We collaborated with Northern Neck Partners for Pets in their efforts to build a no-kill shelter.
- A total of 84 dogs and 114 cats were rescued.

- 394 dogs and 919 cats were spayed/neutered.
- Veterinary care amounting to \$221,074 was provided.
- We helped feed the pets of 900 families by distributing 30,758 pounds of pet food.

AWL's mission is to prevent animal cruelty and promote the humane treatment of animals through education, spay-neuter programs, veterinary care, and adoption. Our vision is for the Northern Neck to be recognized as a compassionate community where animals are respected and treated with kindness. Our ongoing efforts reflect our commitment to these ideals, and we welcome you to join us! 🐾

SARA FORD - AWL PRESIDENT

## PLANS FOR 2024

- Continue to rescue, provide veterinary care, offer spay/neuter services, and provide food for the dogs and cats of the Northern Neck.
- Continue researching strategies to recruit a veterinarian.
- Sustain our collaboration with Northern Neck Partners for Pets.
- Organize a First Aid/CPR class for pet owners.
- Offer free rabies vaccines at a vaccine clinic.
- Maintain our efforts to raise awareness of animal care needs within the community and collaborate with community members to address those needs.

## TEAMWORK BENEFITS CATS AND OWNERS

Fourteen cats from the Northern Neck are now set for healthier and longer lives, all thanks to a generous grant from Banfield Animal Hospital Corporation, in collaboration with Richmond SPCA, The Animal Welfare League, and Northern Neck Partners for Pets. Upon the request of their owners, these cats were trapped at their homes in Westmoreland, Richmond, and Lancaster Counties. On February 16, 2024, immediately following the trapping, the 14 cats were transported to the Susan A. Market Animal Hospital in Richmond. There, they underwent spaying/neutering, received treatment for any medical conditions, and were vaccinated before being returned to their homes.

This joint effort aims not only to improve the well-being of these individual cats but also to prevent the unwanted births of potentially hundreds of kittens. Additionally, it will alleviate financial burdens and emotional strain for both the cats' owners and local cat rescuers. Special recognition is due to Gus Shelton and Jennifer Rose Bryant for their dedication in capturing and transporting these feline companions.

We are excited about the success of this project and look forward to similar initiatives in the future. We invite participation from fellow animal lovers in our community. 🐾

## DISCOVERING COMMUNITY

Ms. Norma Sears

Allen Hudson and puppy Ingram

Nestled in Kilmarnock, VA, the AWL Thrift Store at 75 South Main Street is a hub of community activity. Regulars like Ms. Norma Sears from Urbanna are drawn by

local memorabilia, and the Hudson family from Reedville enjoys bonding over thrift finds with their puppy, Ingram. Beyond shopping, the store fosters connections,

embodying the town's charm. Come experience the warmth of Kilmarnock at AWL Thrift Store. 🐾

From Left to Right: Stewart, Sandy and Honey

## BECKY'S LOVABLE "UNADOPTABLES"

All dogs need a place to call home and Becky Stewart provides a loving home for dogs that most likely would have been euthanized at the shelter because they had been deemed "unadoptable". At present she has 3 dogs living their best life. Her description of these sweet castoffs in their new winter coats (from left to right) follows:

because she was not doing well. She had lost a lot of weight and was really skinny. She had bad teeth, so she had stopped eating. We had her teeth fixed and then she went to another foster for about a year but then came back to me. Sandy has been with me for 4 years now and I will keep her until the end of her life.

"Stewart came from the shelter. He had heart worms and weighed around 28 lbs. He was skin and bones and had sores on his skin. I have had Stewart for about a year and he has turned into a beautiful dog that weighs 80 pounds! He is 11 years old now and will live the rest of his life with me.

"On the far right is Honey. When she came to me from the shelter she was scared of everything. I could not touch her unless I cornered her. In the last year Honey has transformed and now accepts all the love I can give her, but still does not trust new people. She loves to sleep in the house with me now. She is about 9 or 10 years old."

"Sandy is 18 years old. She came to me the first time at age 6 or 7. She had to be treated for worms and when she got better she went to the winery in Irvington and stayed there from 2014 until 2020. The winery called me

Love and tender care for an unwanted animals is AWL volunteer Becky Stewart's way of life. Becky epitomizes AWL's vision for the Northern Neck to be known as a humane community

Becky with Stewart and Sandy

where animals are respected and treated with compassion. As an AWL volunteer you, too, can help us to fully realize this vision. Join in the journey. 🐾

## THE DIVERSE VOLUNTEER FORCE AT THE ANIMAL WELFARE LEAGUE

Have you ever considered volunteering with the Animal Welfare League? Our volunteers are a diverse group of residents from the Northern Neck and Middle Peninsula. We have led interesting lives and retired from or still work in a variety of jobs. These are just a few of our present or former job titles:

- Supervisor Nuclear Training
- Corporate Risk Manager
- High School History Teacher
- Physician
- Artist
- Insurance Adjuster
- Tour Production Officer for Academic Travel Abroad
- Budget Analyst for Naval Sea Systems Command
- Environmental Scientist
- Medical Lab Technician
- Bank Teller
- Training Specialist for government contractors
- Flight Attendant Southwest Airlines
- VP Marketing, Insurance Co.
- Middle School Math Teacher
- Blackjack, Roulette and Baccarat games dealer, Reno Nevada
- Senior Executive Naval Intelligence, Dept of Defense
- Licensed Clinical Social Worker
- Driver - FedEx
- Stewardess Eastern Airlines
- Co-owner Plant Nursery
- Bank Vice President
- Lingerie Buyer Macy's
- Finance Director Chesterfield County
- Pastor and Teacher
- Admin Assistant Dept of Defense
- Registered Nurse
- Vice President Finance Braniff Airlines
- Managing partner Web Design and Development Company
- Animal Behaviorist
- FBI Special Agent

We are a fun group of women and men. Come join us!! Contact Barb Dietz for more details at 1-804-462-5073. 🐾

# PAWS N CLAWS 911:

## PET CPR AND FIRST AID TRAINING DRAWS ENTHUSIASTIC PARTICIPANTS

On Saturday April 13th, pet lovers from across the Northern Neck gathered at the Lancaster Community Library for the highly anticipated "Paws N Claws 911: Pet CPR and First Aid Training" event, organized by the Animal Welfare League of the Northern Neck (AWL). The event, designed for pet parents, pet care professionals, and animal rescue volunteers, offered two informative sessions, each packed with valuable insights and hands-on training.

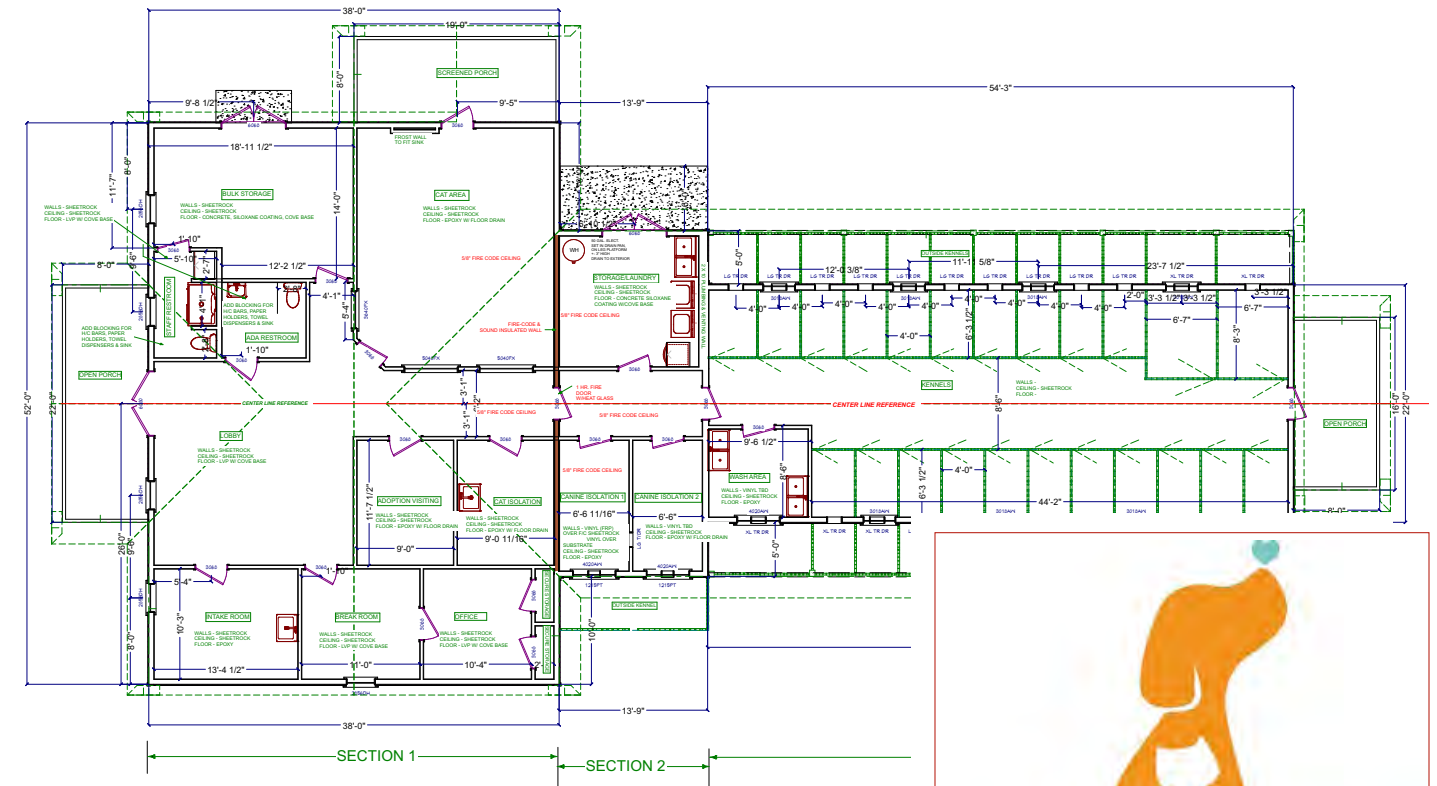

Participants arrived bright and early for the morning session, which ran from 9:30 AM to 12:00 PM, and the afternoon session, held from 1:00 PM to 3:30 PM. Throughout the day, attendees engaged in interactive demonstrations and learned essential life-saving techniques, including CPR, choking management, and emergency muzzling and restraint.

Expert speakers led informative lectures on topics such as pet safety, wellness, and handling various emergencies. Attendees left the event equipped with newfound knowledge and practical skills to ensure the well-being of their beloved pets in times of need.

The event was a resounding success, thanks to the dedication of AWL's organizers, the support of the Lancaster Community Library, and the enthusiastic participation of the community. Participants expressed their gratitude for the opportunity to learn and network with fellow pet enthusiasts.

Overall, "Paws N Claws 911: Pet CPR and First Aid Training" was a testament to the Northern Neck's commitment to pet safety and welfare. AWL looks forward to organizing similar events in the future, continuing to empower pet owners and caregivers with life-saving knowledge and skills. 🐾

BY JENNIFER HULTZ - AWL VOLUNTEER

## NORTHERN NECK PARTNERS FOR PETS PLANS TO BUILD SHELTER IN 2024

Northern Neck Partners for Pets has always envisioned building a state of the art "no-kill" animal shelter to serve the needs of the homeless pet population on the Northern Neck. While that is still the goal, the plans for the shelter itself have been significantly scaled back to allow for the construction of a clean, comfortable and affordable facility that can be constructed in the short term. This facility will have space for approximately 20 dogs and 30 cats. Plans for building the shelter are underway. Chesapeake Construction Services has been chosen as the builder. As of this date, construction is scheduled to begin in the Spring of 2024. We hope to have our shelter

up and running by Christmas! This is the first phase of a multi-phased project that will allow us to help the animals in need NOW but look to the future with the goal of continuing to increase our services. Long-term sustainability will be achieved by creating an annual fund, and through innovative partnerships with organizations such as the Animal Welfare League, which will fund spay-neuter services on an ongoing basis. With the help of concerned community members, we know we can achieve our goal to see this shelter built in 2024! 🐾

BY TERRIE DORT - PRESIDENT NNPP

## BUILDING HOPE

- Northern Neck Partners for Pets plans affordable "no-kill" shelter.
- Shelter to accommodate 20 dogs, 30 cats.
- Chesapeake Construction Services to build, starting Spring 2024.
- Multi-phased project aims for long-term sustainability, increased services.

## AWL EARNs COVETED PLATINUM SEAL OF TRANSPARENCY FROM CANDID FOR 2024

RECOGNIZED FOR COMMITMENT TO OPENNESS AND ACCOUNTABILITY IN SERVING THE NORTHERN NECK COMMUNITY

In the latest recognition of its commitment to transparency and community service, the Animal Welfare League of the Northern Neck (AWL) has been awarded Candid's prestigious Platinum Seal of Transparency for the year 2024.

Candid, recognized as the world's largest information hub on nonprofits, foundations, and grants, bestows the Platinum Seal as the highest acknowledgment for nonprofit transparency. This accolade underscores AWL's dedication to openness and accountability in its endeavors to serve the Northern

Neck community and its cherished pets.

To attain the Platinum Seal, AWL furnished Candid with extensive details regarding its organization, operations, financial data, and the tangible impact it has made on the lives of dogs and cats in the Northern Neck. This achievement underscores AWL's unwavering commitment to transparency and its overarching mission.

Candid serves as a vital resource for potential donors seeking comprehensive insights into AWL's

objectives, strategies, capabilities, and achievements. Interested individuals can explore AWL's Candid profile to learn more.

The AWL expresses heartfelt gratitude to all supporters for their indispensable contributions. Their unwavering support empowers AWL to continue its impactful initiatives, making a positive difference in the lives of animals in the Northern Neck community.
